RE: Disclosure about your Big Blue Marble 401(k) Retirement Plan will be sent to you electronically

Hello, JODI.

Your plan will deliver your retirement plan statements and other important plan notices and disclosure documents to your email address below. You will be provided a link to the documents by email when they become available for you to access by logging in to your plan account on the plan website. If you have not set up your plan online account yet, you will need to do so in order to access the documents.

The email address listed below will be used to communicate with you. Please take a moment to confirm.

The email address we currently have on file for you:

jodinesmith70@gmail.com

If the above email address becomes inoperable, the plan will send notices to one or more of the other email addresses you have on file in your plan account at the time. If we receive an updated work email address for you, plan materials will be provided to your updated work email address instead of the email address above.

To update or change your email information:

- Go to empowermyretirement.com.
- Click your name/initials in the top right corner of the homepage, then update your *Profile* with your email address or phone number.

From the homepage you can access your statements and documents. Simply click on the *I want to* link on the right side of the page, then select *View statements and documents*.

Please note that a plan-related document is only required to remain available in your plan account for one year or, if later, after it has been superseded by a subsequent version.

If you'd like to discontinue online delivery of your account documents, you can do that, free of charge, from your homepage. Just click on your name/initials at the top right corner of the homepage, then update your *Communication Preferences*.

If you have questions or would like a paper version of your account document at no charge, call us at 1-800-338-4015.

Sincerely,

Your partners at Empower
